

Our Kitchen - Our Engagements

The café-bar at **Théâtre Sainte-Catherine** offers **homemade, comfort food!**
We buy from fair-trade suppliers and support local companies.
Our fresh ingredients are used to create delicious recipes created on site by our chefs.

Our catering service adapts to all types of events.
Menus are tailor-made, taking into account your needs, allergies and dietary restrictions (vegetarian, vegan, gluten-free options, etc.) your budget and number of guests.

Concerned about our environment, we have a policy of maximum waste reduction by recycling and reusing.. When organizing your event, we make crockery available and plastic trays are cleaned and reused.
